

RACKMAN LONGSPAN WORKBENCHES

You'll be able to build your dream workbench in no time with Rackman Australia's Longspan Workbenches.

Our workbenches are suitable for packing, dispatch and assembly which makes them a reliable worktop for any warehouse, workshop or container's needs

Sturdy and easy to assemble, it features:

- ✘ 1, 2 or 4 tiered units available that can be tailored to suit the available space
- ✘ Made of quality standard racking or longspan components
- ✘ Offer extra or optional board supports if required
- ✘ Customisable boards, wheels, louvered panels, parts bins, hanging hooks and steel tops
